Six Sigma for Marketing Processes: An Overview for Marketing Executives, Leaders, and Managers (Paperback)

By Clyde M. Creveling, Lynne Hambleton, Burke McCarthy

Pearson Education (US), United States, 2014. Paperback. Book Condition: New. 230 x 154 mm. Language: English . Brand New Book. Nearly half of the top one hundred Fortune 500 companies use Six Sigma methodology in some part of their business. These companies have been among the top one hundred for five or more years and consistently report higher revenue and significantly higher profits than competitors. This underscores the impact on the cost side. Now the focus moves to revenue growth. Six Sigma consultant Clyde M. Creveling's Design for Six Sigma in Technology and Product Development is the standard guide for product commercialization and manufacturing support engineers who want to apply Six Sigma methodology to technology development and product commercialization. Now, in Six Sigma for Marketing Processes, Creveling joins with Lynne Hambleton and Burke McCarthy to show the ways marketing professionals can adapt and apply those same Six Sigma concepts to create a lean marketing workflow built for growth. This book provides an overview of the way marketing professionals can utilize the value offered by Six Sigma tools, methods, and best practices, within their existing phase-gate processes, as well as the traditional Six Sigma problem-solving approach: define, measure, analyze, improve,...
