CAUGHT IN THE CHINESE REVOLUTION: A RECORD OF RISKS AND RESCUE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Caught in the Chinese Revolution: A Record of Risks and Rescue The experiences here described all occurred in the province of Shensi, or on the direct road from Shensi, and therefore must not be taken as necessarily typical of China generally. Nothing can be predicated of China as a whole; it is only possible for me to speak of the small section I know. During the Revolution every province, and indeed every town, was affected differently. But if some statements are not typical, they are all true, and I have had the fullest opportunity of verifying all I have written. I was not in or near Sianfu when the rising there occurred, but I have in my possession long descriptive letters from my colleagues there, and I spent a week in January in constant daily contact with many who were on the actual scene.
