I love Don s book, Logbook of Life, because I am a pilot, interested in aviation, and especially when it has to do with missions. Don is a friend of many years, beginning when he was Wycliffe s Chief Pilot in Ecuador. Arriving as a freshman jungle pilot, I worked with Don who became my supervisor and mentor. Don had organized and was leader of Ecuador s Aviation program. Much of Don s expertise became mine and prepared me for my future role as Chief Pilot in Colombia. Fasten your seatbelt as you fly with Don in South America, Africa, and Asia where God used his many talents as he provided leadership to new and established programs. This book has special appeal to those interested in types and models of mission aircraft and in harrowing experiences inherent in bush flying. Seeing God s hand of protection and blessing in Don s life and ministry will encourage and bless readers as it did me. -Forrest Zander, former jungle pilot, Chief pilot, Field Director,...
