Westland Limited, New Delhi, India. Softcover. Book Condition: New. He looked at his gun once more. The helplessness left him, in its place was a hardened resolve that he would still have the final say. A third option. The middle-finger to the middlemen who had driven him to this. A few moments later, Major General Iqbal Qureshi fired the shot that shook the nations conscience. The death of a decorated war veteran, one of Indias foremost military officials, triggers a chain of events that threatens to spiral out of control. The democratically-elected government is overthrown and a new one is formed in its place. A fierce and pure regime that promises its people the people the kind of governance they have been deprived of. Just. Fair. Unyielding. Operation Kalyug has begun. Caught in the middle is Bala Murali Selvam, a writer who is still tormented by the memories of his persecution at the hands of the erstwhile-establishment. As the new government battles factions fighting for control, International intervention, personal agendas and incompatible motives, Selvam is swept along, a bewildered-pawn in a high-stakes game. Forced to question everything he has believed so far, even his innate sense of justice, Selvam struggles to choose sides. Will his instincts fail him when he needs them the most?.
