Polity, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A superb account of the international regulatory system, together with a set of proposals for its reform that are highly relevant. While largely written before the market disruption that began in August 2007, subsequent events have tended to reinforce rather than invalidate most of its prescriptions. Robert Peston, Business Editor, BBC News "Global Financial Regulation is a timely review of...
