SOLDIERS OF SHROPSHIRE

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, Soldiers of Shropshire, Peter Duckers, For generations, the county of Shropshire has maintained a range of volunteer military units - infantry, cavalry, artillery, medical and the rest - which have served effectively and loyally in peacetime and in war. In times of national emergency, their numbers have been swelled by the creation of new military formations, raised purely to meet the crisis of war and which, their duty done, have ceased to exist. This book (a companion to The King's Shropshire Light Infantry 1881 - 1968 in the Images of England series), presents a selection of photographs of these 'part-time' soldiers of Shropshire between peacetime and through two World Wars, on ceremonial duty, on active service and in training. The photographs follow the story of the Shropshire Yeomanry, the local Militia, the Rifle Volunteers, the Territorial Army and the Shropshire Royal Horse Artillery from the 1870s towards the present day, with additional glances at other short-lived or war-raised units which were called into existence as need demanded. As with other countries, Shropshire has fought hard to maintain its military connections and to preserve and enhance their fine reputation. It is hoped that the publication of these photographs will be a reminder of that proud heritage and be of general interest to military historians and to veterans and families of those who served their country.
