

Treatise on Microscopical Diagnosis: With 71 Engravings (Classic Reprint) (Paperback)

Filesize: 8.49 MB

Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Treatise on Microscopical Diagnosis: With 71 Engravings* The microscopical diagnosis, by Gustaf von Dueben, has acquired in a very short time an extraordinary popularity, and this fact alone is a sufficient evidence of its practical usefulness. The want of so brief and practical a manual in German literature for the student and practitioner, has induced Dr. Tutschek to translate it. In Germany it has also been received with general favor and approbation. The German translation has materially enhanced the value of this little book by supplementary additions, derived from the progress made in microscopical diagnosis during the period intervening between its first publication in Sweden, and its subsequent translation. With the desire to render this compendium accessible and serviceable to the profession of this country, I have undertaken its translation into the English language, and feel persuaded that it will contribute to increase the already existing interest in microscopical research, and aid in realizing the diagnostic value of the microscope. As it is designed for incipient microscopists, I have taken pains to render it comprehensible by plain language, and have as much as practicable evaded the use of technical terms. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are...
