Brand New Book ***** Print on Demand *****.Excerpt from *New Churches for Old: A Plea for Community Religion* Many books are written these days on the churches. All of them recognize and lament their present pitiable plight. Most of them seek no cause other than the materialism of the age and a certain failure of the churches to keep pace with knowledge and social needs; and offer no remedy other than a general exhortation to the people to remember the importance of religion, and to the churches to bring their beliefs and methods up to date. The futility of these books is itself convincing evidence of the collapse of organized religion in our time. The present volume is concerned neither with lamentations nor exhortations. Its purpose is not to bring comfort to churches as they exist today. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
