HISTORY OF THE LOUISVILLE AND NASHVILLE RAILROAD (HARDBACK)

The University Press of Kentucky, United States, 2003. Hardback. Book Condition: New. 2nd. 236 x 163 mm. Language: English . Brand New Book ***** Print on Demand *****. After the Civil War, the Louisville Nashville Railroad took the lead among southern railroads in developing rail systems and organizing transcontinental travel. Through two world wars, federal government control, internal crises, external dissension, the Depression, and the great Ohio River flood of 1937, the LN Railroad remained one of the country s most efficient lines. It is a southern institution and a railroad buff s dream. When eminent railroad historian Maury Klein s definitive History of the Louisville Nashville Railroad was first published in 1972, it quickly became one of the most sought after books on railroad history. This new edition both restores a hard-to-find classic to print and provides a new introduction by Klein detailing the LN s history in the thirty years since the book was first published.
