Saying the right thing during an encounter with the police can mean the difference between going home and going to jail. Beat the Heat gives you a set of easy-to-remember legal tactics for protecting yourself and the people you care about. Written by a criminal defense attorney, this illustrated street law manual teaches you exactly: what to say if you re pulled over how to read a search warrant what you should know about undercover cops how to handle police questioning what to tell the judge to get your bail reduced how to get the best work out of your lawyer Reading this book is like getting a one-on-one coaching session with your lawyer.
