But the feeling of community does not disappear. Finally man and wife form an ideal association founded on respect. Out of this comes a stage of real association for protection. With the sex love comes a union for the protection of the child. At first one of the parents protects the egg, --that immature offspring. Then both must help and for this purpose must remain together. The child has created marriage, the permanent marriage. From father, mother and child comes the family. The family forms a new, unspeakably important center of crystalization in the great march towards an associative structure. With it love becomes a purer and an enduring social factor. We have this to thank for the fact of our higher stage of culture, that we have raised and ennobled the word love and made it the watch...
