CURE YOUR HEALTH PROBLEMS THE SIMPLE DRUG FREE WAY! Mr GERARD KIELTY I.R.B. I.D.E. a Harley Street specialist has written this true, explosive, controversial and highly informative book about his work in the field of FOOD INTOLERANCE. The book is packed with all the information you need to become seriously healthy within weeks. This fascinating book will change the face of medicine forever as it explains in a down to earth and simple to understand way just how we are all poisoning ourselves each and everyday with basic food items. Heroin grows in the ground, well so does a lettuce!.so why is this not a drug also? It is a drug!.everything that enters our body is a drug to our brain and will have a positive or negative effect on our brain. Mr Kielty explains how more than 50 different health problems can be easily cured by avoiding the foods (drugs) that cause them in the first place. Having scanned some 10,000 patients over the last 10 years. Mr Kielty has identified and written about the major culprits, the everyday foods that generally cause most health problems. His book highlights many different health problems and explains how and why they happen, he also provides extracts from numerous testimonial letters to support his claims. His book also explains in great depth the considerable resistance that exists within the medical profession, the drug companies and many government agencies throughout the world to this advanced drug free path to good health. The sale of medication makes vast fortunes each and every...
