

Scientific Teaching and Learning; An Explanation of the Philosophy (Paperback)

By Dr Martin Odudukudu

Createspace, United States, 2014. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.SCIENTIFIC TEACHING AND LEARNING This book has the same focus as the common core learning standard; it is intended to meet the aspirations of the employer, parents, educators and students. Our focus is very promising. Our educational efforts are now geared to change from focusing upon teaching students to pass tests to learning how to apply knowledge. We now know that a capacity to merely recall answers relates to the old traditional methods of teaching and learning and that the capacity to think through problems and get answers relate to the progressive methods. We are also realizing that success in our educational efforts are grounded upon a clear understanding of students interest, and of how to integrating students concerns with the subject matter; but do we truly? THE SCIENTIFIC TEACHING The common core learning standard helps to bring to focus the realization that children can learn at higher levels when properly taught to do so. No age group or grade level corresponds with and/or is restricted to a particular level of learning. The first and second...
