Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It s time for Eddie to go to bed again, but Eddie has been having nightmares and is scared. Eddie s mom gives him a way to overcome the fear. Perfect for preschool or young elementary children. note from the author: When my son came to me scared of going to bed, I tried everything I could think of to help him get over his nightmares. I tried monster spray (aka water in a squirt bottle that gets rid of monsters). That didn t fly. I tried convincing him he was in charge in his dreams - he said the monsters were too scary. Finally, I knew that the only thing that would help him was something real. I told him about the Armor of God, and showed him where it was in the Bible. He was amazed that Jesus said we were supposed to wear it and that HE got to wear it too. That night was the first night he didn t end up in my bed from nightmares. He told me in the morning that Jesus had come help him fight the monsters in his special armor. I decided to share that story in a cute children s book format in the hopes of helping other kids who monster spray just doesn t work for. Enjoy!.
