Sea Raven Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Is the Confederate Battle Flag truly a symbol of hatred, racism, and slavery, as Liberals maintain? Of course not. It s the opposite: it s a symbol of Christian love, universal brotherhood, and freedom, but they don t want you to know that! More importantly it s a sacred emblem of Southern heritage, history, and honor, one that every traditional Southerner is rightfully proud of. In Confederate Flag Facts: What Every American Should Know About Dixie s Southern Cross, award-winning Southern historian Lochlainn Seabrook corrects the many falsehoods fabricated by the anti-South movement about the South s most famous ensign: the Starry Cross (the Confederate Battle Flag). In the process, he provides the true history of the Confederate States of America and its three official flags: the Stars and Bars (the First National), the Stainless Banner (the Second National), and the Blood-Stained Banner (the Third National). We learn why the C.S.A. patterned itself on the original U.S.A. (which was known as the Confederate States of America), even copying her Constitution and flag, all in an effort to preserve the confederate republic of the American Founding Fathers. In debunking the many myths and lies invented by Liberals about the Confederate Flag, a wide range of pertinent topics are covered concerning Lincoln s War, including secession, slavery, and abolition. Special attention is paid to Dixie s brave boys in gray, the Confederate soldier, a unique breed of warrior who was represented by every race. Mr. Seabrook backs up his in-depth research with numerous eyewitness accounts, both from the Confederacy and the Union. This generously illustrated work, complete with endnotes, an index, and a bibliography, is jam-packed with...
