Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

A TOUR THROUGH INDIANA IN 1840: THE DIARY OF JOHN PARSONS OF PETERSBURG, VIRGINIA (CLASSIC REPRINT) (PAPERBACK)

Brand New Book ***** Print on Demand *****.Excerpt from A Tour Through Indiana in 1840: The Diary of John Parsons of Petersburg, Virginia John Parsons graduated from the University of Virginia in 1839 and began the study of the law. Not finding the profession to his taste, however, he made a tour of Indiana in the spring of 1840, with the intention of visiting a cousin, who had gone there three years before, and of purchasing land and settling there if he found conditions to his liking in the Wabash country. He was 23 years old at the time, handsome, intelligent, a keen observer and possessed of a charming personality. The time of his journey is one of unusual interest, being the year of the Harrison campaign, the beginning of our modern presidential campaigns. That it was a time when the traveler used the stage coach, the canal boat, the steamboat, the horses back, to say nothing of an occasional days journey on the latest novelty in transportation, the railroad, gives variety and interest to his travels. Carrying some letters of introduction from Eastern friends, he gained entry into what were known as the most respectable families of the various Indiana towns he visited, and his observations on family life, as well as on the country, are of sufficient interest and value to warrant their publication.
