Financial Management for Agribusiness (Paperback)

By -

CSIRO Publishing, Australia, 2007. Paperback. Book Condition: New. 242 x 170 mm. Language: English . Brand New Book. Financial Management for Agribusiness presents a practical approach to financial decision making for all those involved in agribusiness, including farmers, horticulturists and supporting businesses, to manage invested funds, physical resources and labour. It covers all the stages leading to a completed business plan and provides straightforward worked examples for each step. The authors emphasise the need to collect and record the detailed financial and physical records necessary for sound decision making and detail all stages of financial planning, including record keeping, preparation of financial statements, financial analysis, budgeting, income tax, Goods and Services Tax and succession planning. The book clearly explains how past financial information of the business can be used to identify and assess alternative strategies that will aid management in making decisions that meet business and personal objectives. The complete financial management process is then summarised in a comprehensive business plan.
