Human Nature in Politics (Paperback)

By Graham Wallas

BOOK JUNGLE, United States, 2010. Paperback. Book Condition: New. 234 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****.Graham Wallas (1858 - 1932) was an English socialist, social psychologist, educationalist, and a leader of the Fabian Society. While at Oxford Wallas abandoned his religion. His works include Property Under Socialism (1889), Human Nature in Politics (1908), The Great Society (1914), Our Social Heritage (1921), and The Art of Thought (1926). An excerpt reads from Human Nature in Politics reads, Any examination of human nature in politics must begin with an attempt to overcome that intellectualism which results both from the traditions of political science and from the mental habits of ordinary men. Political impulses are not mere intellectual inferences from calculations of means and ends; but tendencies prior to, though modified by, the thought and experience of individual human beings. This may be seen if we watch the action in politics of such impulses as personal affection, fear, ridicule, the desire of property, etc. All our impulses and instincts are greatly increased in their immediate effectiveness if they are pure, and in their more permanent results if they are first hand and are connected with...
