OUTBREAK: CODE RED

Random House Children's Publishers UK. Paperback. Book Condition: new. BRAND NEW, Outbreak: Code Red, Chris Ryan, Thirteen-year-old Ben Tracey is looking forward to spending the summer in the Democratic Republic of Congo, where his father has been hired to examine the valuable mineral Coltan that's being mined there. They soon realise that the people living in the village near the mine are frightened and it doesn't take long for Ben and his father to discover why: behind the door of every hut there is at least one person dying or seriously ill, and no one seems to be doing anything to help. As Ben's father falls ill, it's up to Ben and his new friend from the village, Halima, to try and tell the government what's going on so the village can be isolated before the sickness spreads further. Will they be able to prevent disaster?.
