

Where s the Moon, There s the Moon (Hardback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

WHERE S THE MOON, THERE S THE MOON (HARDBACK)

Alfred A. Knopf, United States, 2010. Hardback. Book Condition: New. 216 x 156 mm. Language: English . Brand New Book. These are powerfully original poems about the sweetness and pain of adulthood and fatherhood by the critically acclaimed poet Dan Chiasson. A child's improvised game of Where s the moon, There s the moon is the shaping metaphor for this collection, but adult matters of seeking and finding, loss and recovery, anticipation and desire's uncertain rewards are at its heart. Chiasson makes poignant use of objects and nature's givens as correlatives for our human struggles: Being near me never made anyone a needle, he writes in Thread, and in the poem titled Tree, All day I waited to be blown; / then someone cut me down. In the title sequence, a multipart poem about fathers and sons, Chiasson describes the ways the gift for being absent, a poet's gift, is passed from father to son, as he watches his own children sink into the enigmatic silences that mimic his own--silences that he, in turn, connects with his own father's disappearance from his life. Chiasson is a poet of great grief and love. In this third book, his voice is more commanding than ever, embracing the notion of how small--yet how rich and significant--are our individual stories in time and space.
