BLACK TIDE (PAPERBACK)

Black Water Books, Hawaii, United States, 2011. Paperback. Book Condition: New. 221 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.Would Megacorp want YOU as a REUSEABLE? Are you that good Jake Strom, salvage diver, is a Reuseable. Not by choice. Would you be? In his third horror novel, BLACK TIDE, John G. Rees takes you on a forward journey back in time. Back in time to the beginning for Jake Strom, before he becomes a Reuseable. We meet Jake before this recruitment becomes the only alternative. Megacorp, in control for years, was taking men like Jake, with their knowledge in their hands and head. Only the old remember a time before the small corporation rose from the ashes of a destroyed world economy during the early 21st century and became the dominant player, in control of most of the world. Megacorp didn't coin the term black ops, but the one they brought into being was darker than anyone could imagine. After a time of trial and error, the recruits began filling cold steel slabs. Megacorp was laying in a workforce; not only to maintain the failing infrastructure of the planet, but to do the black work, the wet work, that comes along with being a black op for the biggest power on earth. They were making Reuseables and working them to death, bringing them back to life to be used again. To be reused again and again. The quest for profits already left the planet, as a biosphere, crippled. Now it was doing the same thing to people's minds. Siphoning off the skills they wanted to keep the planet running, Megacorp turned the rest of the population into domesticated consumers. Instant gratification ruined them, leaving behind a coke monkey mentality that...
