

The Story of Aqualead: A New Healing Energy for a New Earth

By Sabine Blais

Silgerond Press. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 8.5in. x 5.5in. x 0.4in. The Story of Aqualead is a narration of the authors memoirs of her years living in Argentina, and her unusual encounter with a new healing energy called Aqualead. She relates her incredible journey of relocating to South America from her home in Canada, and how she inadvertently channelled and developed a new healing system destined to heal water and rebalance nature. The author has lived in Buenos Aires for five years. She began teaching Aqualead in different parts of Argentina, and the healing modality rapidly expanded to an environmental movement, whose aim is to heal the planet and restore the elements of nature. Through this book, the reader will discover a new way of healing the Earth and connecting with water; the book also invites the reader to become acquainted with this new healing energy, which is spreading among healers worldwide. Complete with authors photographs and appendices. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
