SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Doing Postgraduate Research (2nd Revised edition), Stephen Potter, 'Offers a practical and helpful guidebook both for students and supervisors. It is recommended for research students at the early stages of their research studies, because it provides a thought-provoking account of the different aspects of post-graduate research. Additionally, it can be a useful tool and resource pack for advanced research students who want to think about viva and career options after the completion of the PhD.a useful addition to the growing literature of books on post-graduate research. It provides not only a helpful reading but also a complete multimedia resource pack for new and more-advanced students and supervisors.' - Educate Journal The prospect of undertaking postgraduate research can seem daunting. This thoroughly revised Second Edition of Doing Postgraduate Research will show you how to undertake your research better, quicker, and with as little hassle as possible. The text offers an authoritative and comprehensive guide to better research practice and is fully compliant with research training requirements, including the Joint Research Councils' Skills Statement.Doing Postgraduate Research will enable you to acquire research methods skills as you proceed through your Masters or PhD programme. Key topics include: - Designing and organizing a research project - Understanding alternative research perspectives - Doing a literature review - Academic writing - IPR and Ethics in research - Research presentations - Preparing for a viva - Career development Activities are used throughout the book to link the material to student's own research projects, encouraging practical 'training by doing'. The book comes with a DVD and website which illustrate key features of the research process, and provide further reading and a guide to additional resources. Doing Postgraduate Research is an invaluable tool for students, supervisors, and all with research...
