Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Crescent Moon Publishing. Paperback. Book Condition: New. Paperback. 348 pages. Dimensions: 9.1in. x 6.1in. x 1.0in. THE ART OF ANDY GOLDSWORTHY Revised and updated, with new illustrations This is the most comprehensive and detailed study of British artist Andy Goldsworthy, and is the only full-length exploration of Goldsworthy and his art available anywhere. The book has been completely rewritten and brought up to date for this new edition. Andy Goldsworthy makes land or earth art out of, among other materials, stacks of rocks, or stalks tied together, or mud thrown into rivers or poppy petals wrapped around boulders. His art is a sensitive, intuitive response to nature, light, time, growth, the seasons and the earth. Fully illustrated, with a revised text. Bibliography and notes. 348pp. ISBN 9781861714398. Also available in hardback. www.crmoon.com REVIEW ON AMAZON A happily received gift. Its worth the price for one who wants a scholarly while earthy (sorry, couldnt help it) approach to the work. Theres a quiriness about the writing style that is engaging and honest. Im glad I have the book and will reread it as I purchase other books on Goldsworthy where the work is shown via great photography. REVIEW ON AMAZON This is a chatty informational book. It has stories of many artists that have been associated with Andy Goldsworthy in his long career as a contemporary nature sculptor. If you are looking for a personal history this is a book for you. REVIEW ON AMAZON Im no expert on visual art, nor would I claim to be, but I found this to be a useful book, and the only one Ive been able to find about the work of Andy Goldsworthy. The author has taken the time to round up a large amount of varied source material which makes this...
